## Truck drivers CE (car transport)

Reitrans is a subcontractor of transport services to Axsess Logistic AS. Our main activity is to transport new cars from Drammen harbour to car dealers all over Norway.

We transport about 5000 new cars every month, fra Lindesnes in the south to Trondheim in the north.

We are looking for 2 truck drivers.

### **Driver for the Oslo region:**

We are looking for a truck driver to our team of car transporters. Applicants must master a Scandinavian language or English spoken and written. Applicants must have experience with semi-trailer trucks. Not necessarily car carrier as full training will be given according to our routines. We place great emphasis on quality as we want applicants with a professional attitude to the profession.

The work is mainly to transport new cars from Drammen or Oslo to car dealers in the Oslo region.

Work schedule: Evenings, nights and week ends.

### **Driver between Norway and Sweden:**

We wish to associate another employee with and join our team of drivers to and operate one of our car carrier between Norway and Sweden.

Applicants must be comfortable with accommodation in the cabin.

We can offer 2 - 3 week tour with 1 - 2 weeks free. We help with housing. We can offer good conditions for the right one. Arranged relationships with regard to salary and HSE.

We emphasize experience from trucking, not necessarily car carrier, as full training will be given according to our routines. We place great emphasis on quality as we want applicants with a professional attitude to the profession.

### **For both jobs:**

Fulltime permanent job.

Requirements:

- driver's licence CE
- European Driver CPC (Certificate of Professional Competence) or Code 95 on your driver's licence
- good English or Scandinavian language skills
